

Ginno Legaspi — *Composer and donor of the title song for The Voyagers Series*

Ginno Legaspi was born in Cebu, Philippines and moved to Florida in 1990. He is a producer, sound designer, remixer, and performing musician. While he considers himself a multi-instrumentalist, his primary focus is in computer music and sound design. Like many Filipinos, he embraces many different musical styles and influences. Hence, his involvements have included performances with various pop-rock cover bands in the past and, on the other end of the spectrum, his original electronic music. These days, he finds himself busy writing various articles and reviewing professional audio softwares and soundwares for Wusik Sound Magazine (yup, that's Wusik!).
